

# FACTS AND FIGURES

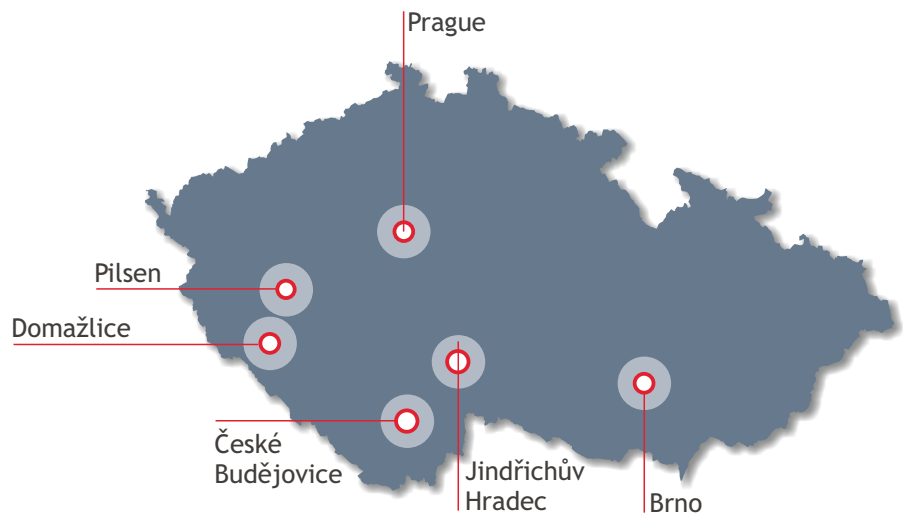

BDO is reorganising its operations in the Czech Republic. As of October 1<sup>st</sup> 2019, BDO Audit and BDO IT firms, which had previously operated as independent firms in the Czech Republic, are merging into one company. To complete the goal to deliver the exceptional client service there will be another change in the organisation - companies that previously operated under Moore Stephens brand will become part of the BDO network effective as of January 1<sup>st</sup> 2020.

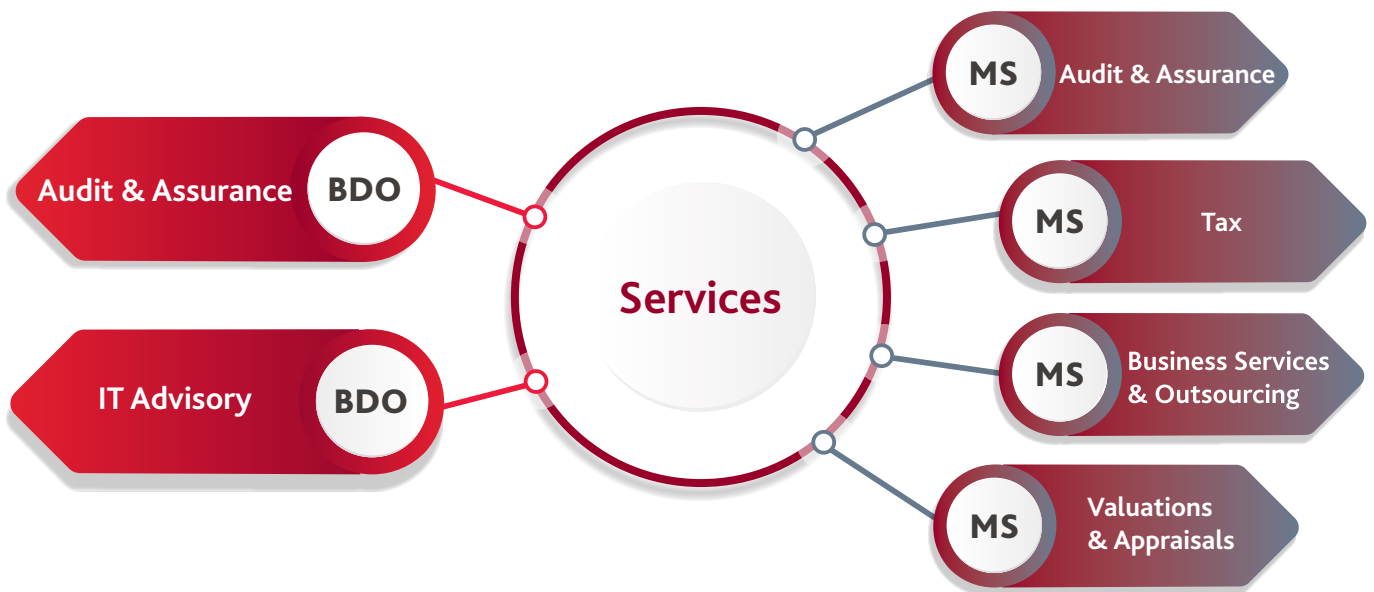

**With 450 professionals and revenues more than 500 million CZK, the combined firm will be a local leader in consulting for medium-sized companies.**
